D'REMS FOUNDATION

PROGRAM BRIEF

Youth Empowerment *Program*

A proposed program to help young people build confidence, learn practical skills and develop relationships with trusted mentors.

Six program pillars

Healthy Youth	Wellness education, fitness and spaces for young people to talk, reflect and practice healthy habits.
Education & Opportunity	Tutoring, college and career exploration, and possible scholarship support.
Leadership & Character	Mentoring, goal-setting and practice making decisions. The draft proposes mentor check-ins at least monthly.
Creativity & Innovation	Photography, music, fashion, design and entrepreneurship through hands-on projects.
Life & Financial Skills	Age-appropriate practice with budgeting, saving, banking and credit.
Community Service	Food drives, support for older neighbors and youth-led neighborhood projects.

PLANNING STATUS

The foundation is still defining the age range, eligibility, service area, schedule and scholarship criteria.
